

# Effective participators

## Focus:

Young people actively engage with issues that affect them and those around them. They play a full part in the life of their school or wider community by taking responsible action to bring improvements for others as well as themselves

- discuss issues of concern, seeking resolution where needed
- present a persuasive case for action
- propose practical ways forward, breaking these down into manageable steps
- identify improvements that would benefit others as well as themselves
- try to influence others, negotiating and balancing diverse views to reach workable solutions
- act as an advocate for views and beliefs that may differ from their own
